

Bangkit Breeze

**HDB'S SALES LAUNCH
JULY 2025**

BTOgether

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as preschools, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs, even after residents have moved into the precincts. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, construction sites, and land used for non-residential purposes including but not limited to industrial, commercial or utility uses. Hence, residents may experience related disamenities including but not limited to higher noise levels and smell nuisance. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The information provided is based on the current planning intent of the relevant authorities and is subject to change from time to time.

This brochure may contain forward-looking statements regarding future developments, projections, estimates, and other statements about HDB's plans, goals, and expectations on the development. Forward-looking statements are not guarantees of future results but are inherently subject to uncertainty, and actual results could differ materially from those anticipated in these statements.

HDB does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. The information provided in this brochure is based on current expectations and beliefs, and there can be no assurance that the results and events contemplated by the forward-looking statements will indeed occur.

Prospective buyers are cautioned not to place reliance on these forward-looking statements. Any reliance on the forward-looking statements is at the sole risk and discretion of the recipient, and HDB disclaims any obligation to update or revise such statements to reflect changes in expectations or events, conditions, or circumstances on which any such statements are based. HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on such forward-looking statements.

BANGKIT BREEZE

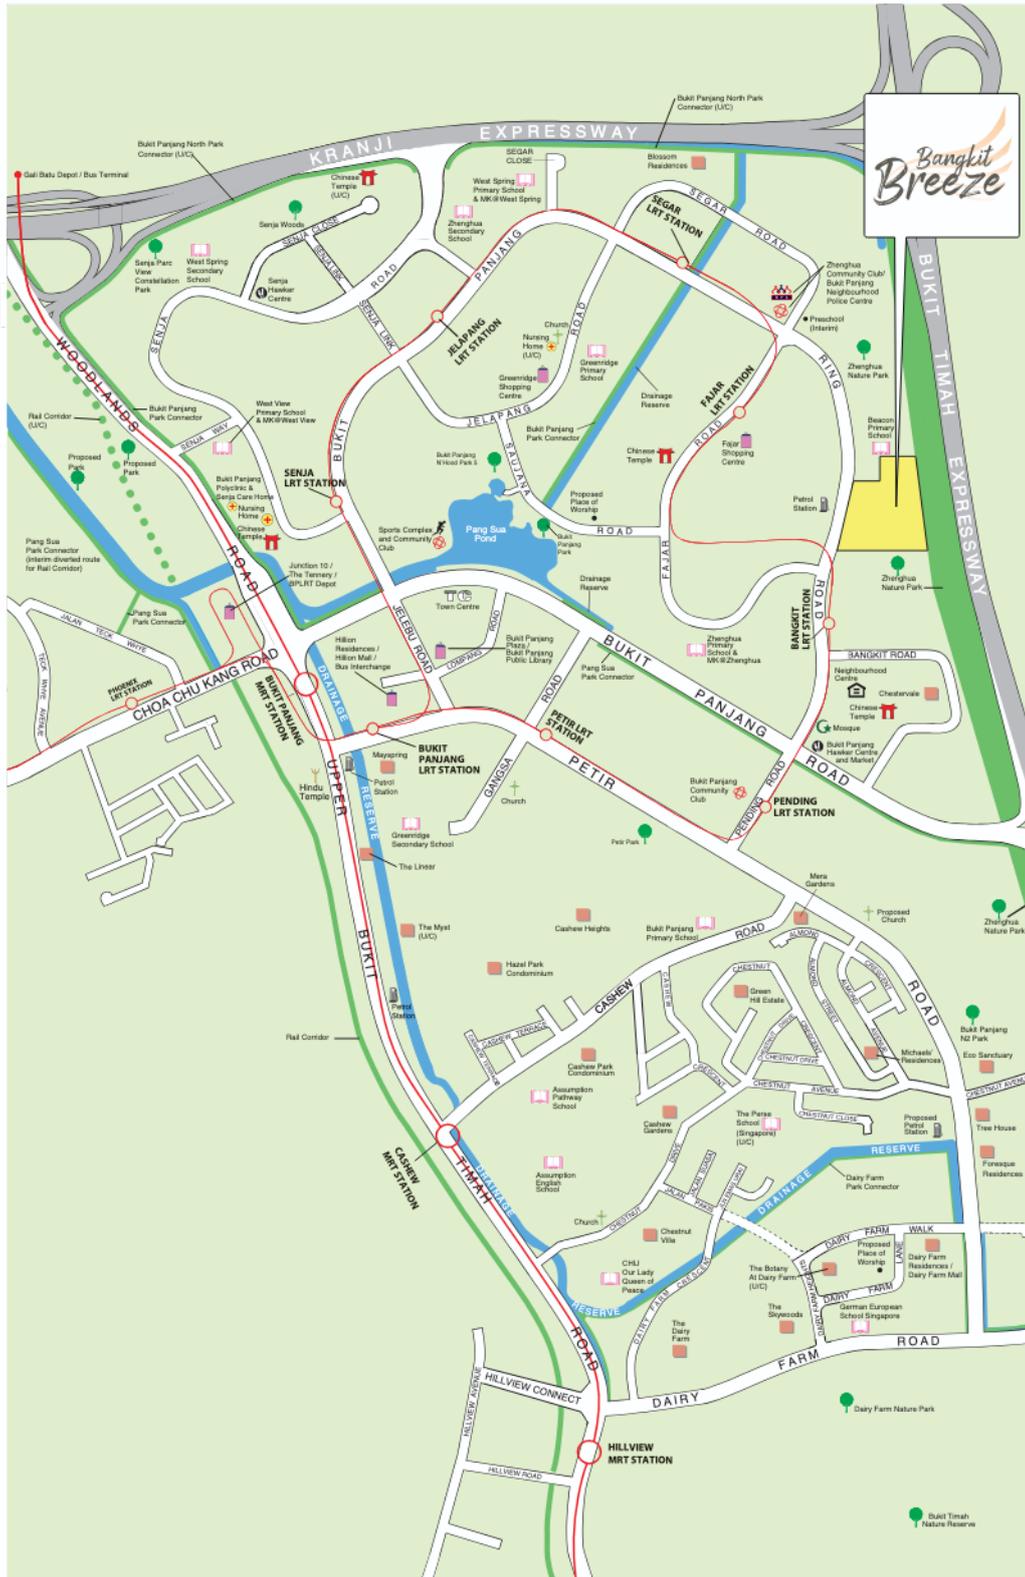

Named for its proximity to Bangkit LRT station and the adjacent Zhenghua Nature Park, Bangkit Breeze comprises 6 residential blocks each standing at 13 storeys high. The project offers 643 units of 2-room Flexi, 3-room, 4-room, and 5-room flats. These flats will be offered as Standard flats under the new flat classification (<https://www.hdb.gov.sg/cs/infoweb/residential/buying-a-flat/finding-a-flat/standard-plus-and-prime-housing-models>), and are Shorter Waiting Time (SWT) flats with waiting times of less than 3 years.

Bangkit Breeze is thoughtfully designed with a range of amenities to serve residents' daily needs, including an eating house, shops, a minimart, a preschool, and a residents' network centre. The Multi-Storey Car Park (MCSPP) features a roof garden that provides a green sanctuary for relaxation, complemented by playgrounds and fitness stations for recreation and social bonding within the project.

For a detailed layout of the facilities provided at Bangkit Breeze, refer to the site plan. Facilities in this project will be accessible to the public.

BUKIT PANJANG

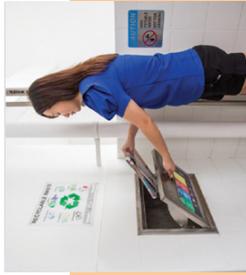

- Notes:**
- All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The implementation of such proposed developments and facilities is subject to review from time to time by the relevant authorities.
 - Proposed Place of Worship includes examples such as Church, Mosque, Chinese Temple, Hindu Temple, etc.
 - The developments and facilities shown (whether existing or proposed) may:

OPTIONAL COMPONENT SCHEME

(2-room Flexi flats in projects with shorter waiting time)

(FOR SHORT-LEASE 2-ROOM FLEXI FLATS ONLY)

Seniors buying short-lease 2-room Flexi flats who wish to enjoy the convenience of having a flat in move-in condition can opt in for the following:

SENIOR-FRIENDLY FITTINGS

- Built-in kitchen cabinets with induction hob and cooker hood, kitchen sink, tap and dish drying rack.

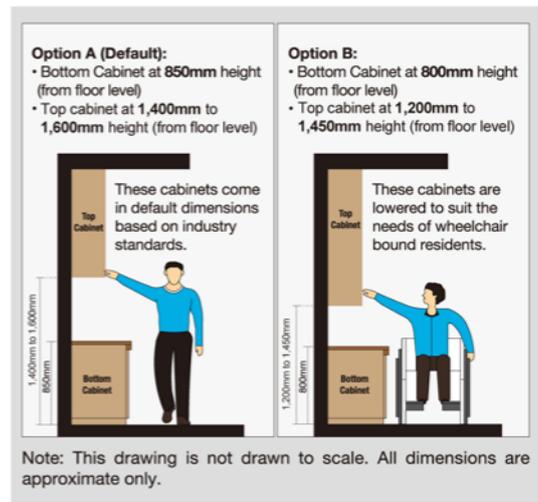

Here are some features of an induction hob:

- It does not produce an open flame
- Its cooking zone cools down faster
- It is easier to clean than a gas hob
- As it has a flat surface, pots placed on an induction hob are less likely to topple over.

With these features, the use of the induction hob would promote a safer and cleaner environment.

- An option to have a lower counter top height

- Kitchen cabinets come with mobile cabinets to provide knee space (especially for wheelchair users)

- Built-in bedroom wardrobe with a lower clothes hanging rod for easy reach

- Folding door at the flexible space in the 2-room Flexi (Type 2) flats

OTHER FITTINGS

- Window grilles for safety and security

- Mirror

- Toilet roll holder

- Lighting

- Water heater

The cost of this OCS package will be added to the selling price of the booked flat.

Disclaimer: All displays and images shown here are strictly for reference only and are subject to change without notice. The displays and images shown here are conceptual and indicative only and the colour schemes, design, dimensions, type, tonal differences and specifications may differ from the actual fittings installed in the flat.
