

**HDB'S SALES LAUNCH
OCTOBER 2025**

BTOgether

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs, even after residents have moved into the precincts. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, construction sites, and land used for non-residential purposes including but not limited to industrial, commercial or utility uses. Hence, residents may experience related disamenities including but not limited to higher noise levels and smell nuisance. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The information provided is based on the current planning intent of the relevant authorities and is subject to change from time to time.

This brochure may contain forward-looking statements regarding future developments, projections, estimates, and other statements about HDB's plans, goals, and expectations on the development. Forward-looking statements are not guarantees of future results but are inherently subject to uncertainty, and actual results could differ materially from those anticipated in these statements.

HDB does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. The information provided in this brochure is based on current expectations and beliefs, and there can be no assurance that the results and events contemplated by the forward-looking statements will indeed occur.

Prospective buyers are cautioned not to place reliance on these forward-looking statements. Any reliance on the forward-looking statements is at the sole risk and discretion of the recipient, and HDB disclaims any obligation to update or revise such statements to reflect changes in expectations or events, conditions, or circumstances on which any such statements are based. HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on such forward-looking statements.

OAK VILLE @ AMK

Oak Ville @ AMK is bounded by Ang Mo Kio Street 82, Ang Mo Kio Street 81, and Ang Mo Kio Avenue 5. The project comprises 1,425 units of 2-room Flexi, 3-, and 4-room flats spread across 6 residential blocks ranging from 21 to 24 storeys high. The flats at Oak Ville @ AMK will be offered as Plus flats under the new flat classification framework (<https://www.hdb.gov.sg/cs/infoweb/residential/buying-a-flat/finding-a-flat/standard-plus-and-prime-housing-models>).

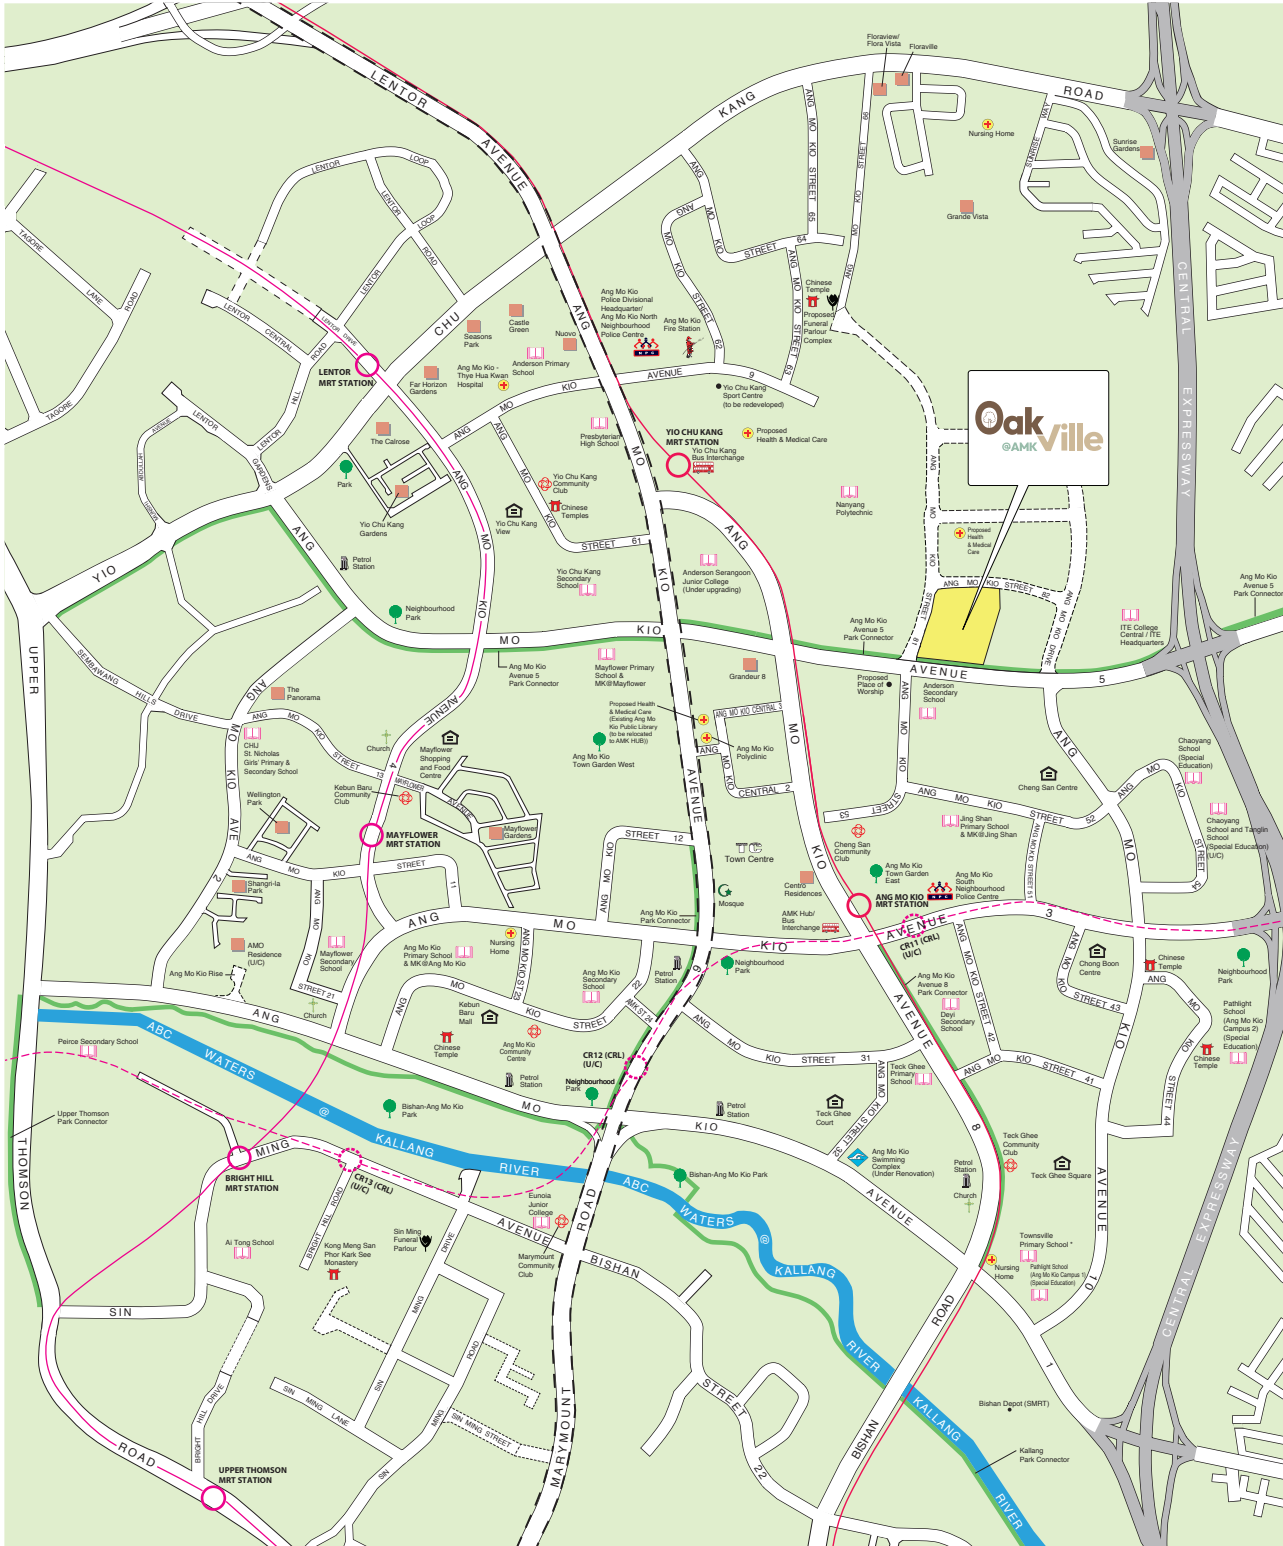

The project's name complements the adjacent Pine Ville @ AMK, and is inspired by the green corridor running between the 2 projects. This corridor connects residents to a proposed new park to the north and to the park connector along Ang Mo Kio Avenue 5. The landscape design at Oak Ville @ AMK also reflects the area's rich agricultural heritage, which once included thriving gambier and rubber plantations. A notable feature is the rubber tapping trail, where a path lined with columnar trees is accompanied by interpretive panels showcasing the traditional rubber tapping process.

Oak Ville @ AMK will feature outdoor amenities such as playgrounds, fitness stations, and precinct pavilions for residents of all ages. A preschool will also provide added convenience for young families. The 7-storey Multi-Storey Car Park (MSCP) comes with a roof garden and will house commercial amenities on the ground floor, including a supermarket, an eating house, and shops, to provide daily conveniences for the community.

For a detailed layout of the facilities provided at Oak Ville @ AMK, please refer to the site plan. Facilities in this project will be accessible to the public.

PACKAGE 3

offers seniors the convenience of having a flat in move-in condition. It comprises:

SENIOR-FRIENDLY FITTINGS

- Built-in kitchen cabinets with induction hob and cooker hood, kitchen sink, tap, and drying rack.

Here are some features of an induction hob:

- It does not produce an open flame
- Its cooking zone cools down faster
- It is easier to clean than a gas hob
- As it has a flat surface, pots placed on an induction hob are less likely to topple over.

With these features, the use of the induction hob would promote a safer and cleaner environment.

- Kitchen cabinets come with mobile cabinets to provide knee space (especially for wheelchair users)
- Built-in bedroom wardrobe with a lower clothes hanging rod for easy reach

- An option to have a lower countertop height

- Door at the flexible space in the 2-room Flexi (Type 2) flats

OTHER FITTINGS

- Window grilles for safety and security

- Mirror

- Toilet roll holder

- Lighting

- Water heater

Buyers who opt for Package 3 must select Package 1.
